review: Kangana Ranaut is special  
in a first for her When Sanjay

---

Dutt, the director and lead character in the sequels Dhamaal and Double Dhamaal, refused to share character billing, it was not a silent, certainly not for genre-loving audiences, who gobbled up the sequel in droves. Gone were the quirky double-names for the characters (Dhamaal and Dhamaal Raval, “R-A-V-E-L”, were a children’s story parody in

---

Dhamaal; in Double Dhamaal, the characters are Firoz, Firdaus, and Faiz). This time around, the story has its villain not as a double-named character, but in person, in full, as a terrifically quotable Javed Jaffrey played, as one of his characters in Dhamaal, with a cigar jutting from his mouth and a particularly venomous look in his eyes. Only Jaffrey can play

---

evil like that; everyone else has a character to play, and they're generally enjoyable, even if Dutt's portrayal of Dhamaal is a bit over the top. The story, however, is more compelling than the formulaic, cheesy entertainment it's meant to be, and Kangana Ranaut is given the opportunity to show that she is capable of more than just being eye candy and that

---

her talent is indeed greater than the span of a movie. Ranveer Singh and Arshad Warsi reprise the roles of Dhamaal and Raval, but the highlight of the film is the villain, Jaffrey.
