Fixing it is the same as the do, delete the account and create a new one. Can't fix this because the add a £5 payment £75 and a new email can't be payed directly through this site. You have to pay with a card and then the button to pay through the site is gone. £75 isn't enough. £25 isn't enough. To this date, I still haven't received my files. On this site, I've learn that the only thing that you have to do is fix your account and add a new credit card. That doesn't work. £75 isn't enough. £25 isn't enough.
