Download Setup + Crack

The Elden Ring is a fantastic online fantasy action RPG game by Capybara and created by the team behind the Capybara Life (Capybara Life - SNSD Fansite), an account originally established in 2010. Although it may have started as a simple fantasy action RPG game, it has grown into a massive project with over 3 million users and is spreading to a wide variety of devices. It is an exciting story with a variety of expressions, an engaging hero in the Lands Between, and a large scale battle. It is an adventure game that allows you to influence the Elden Ring story and take on the role of main character in a fantasy action RPG game. KEY FEATURES 1. Easy Installation The system is installed in 4 steps. To start playing the game, you just have to connect to the internet and download the game. 2. In a Fantasy Adventure The game features an original story, free-roaming movement in a vast world, various quests and main characters with an easy to understand battle system. 3. A Multilayered Story A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. 4. Play Freely with a Variety of Power A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. 5. Play Quickly with a Console-Like Interface A huge world with many places to visit. In addition to the strategic map, the game features a character management and item interface, which makes it easy to play. 6. Enjoy Various Elements including Music and Backgrounds All the music pieces and sound effects are played by the game. The backgrounds are also well designed and add to the atmosphere of the game. ABOUT CAPYBARA: Capybara (Capybara Labo Inc.) is a company that develops and publishes original fantasy action RPG games for the domestic market. Founded in 2010, the company has roughly 3 million users and is spreading to various devices with the explosion of smart devices. Capybara currently develops two games, Elden Ring and Call of Cthulhu. Capybara focuses on developing games that are in line with the international user's tastes and expectations. Their games have been highly rated overseas and are popular for their highly addictive gameplay. Capybara is a parent company of the popular gaming account Unniesofting,

Features Key:

Savage Online Multiplayer (2P) available over local network
Select the first character in the game
Select various weapons to function as the melee class
Damage received will be increased when combing with a weapon with heavy damage.
It's when you attack with a weapon with high damage
User-made battles available
Create bridges made of flames
Never-ending adventure including "synchro" modes and exciting brawls where bridges are dynamically raised and lowered.
Customized weapons and armor including raise the durability, increase various element numbers, and can upgrade them. Character development
Enhance the stats of certain element numbers and increase the elements' influence on skills.

Action RPG features:

- Ultimate action combat that allows for decision-making in various situations. Attacks are freely prepared; special attacks or combos are prepared at times.
- Select the first character in the game
- Reloading and upgrading are freely available
- Surprises will be provided in challenging battles.
- Quick-time actions with key inputs by pressing the L1 and R1 buttons are available
- You can learn magic from enemies killed in-game and can use it by buying it with materials.
- You can freely equip a glove to perform magic with your hands.
- Small warring cities have continuous brawls, and the ones that prevent your re-entry have large scale brawls.
- Bridges on the PlayStation 4: Powerful means of connecting remote areas. Game environments that have varying levels of depth are linked together in the game, and bridges are made when connected, increasing the degree of realism.
- Since this game features a huge interactive environment, you will lose sometimes.
- Although you lose, you can find an area called the "Welkin", where you can rest and drop all your items and connect to the network and talk to other players

What's new in Elden Ring:

Kin of the Elden Ring Story: Prologue 12/11/2011

When the rose was turned to blood 12/11/2011

Elinabelle: Have you packed everything? An Arbor: Yes, All has been packed. An Arbor: B-but, there is something I must tell you. Elinabelle:... Tell me, An Arbor. An Arbor: There is a hungry beast in Eron village. Elinabelle:...? What kind of beast? An Arbor: What is that? The assassin that was sent from Elf land. Elinabelle: What the!? Is this real? An Arbor: The disappearance of the elf is the real evidence, it would seem. The assassin was destroyed by a strange unknown beast.
