**Elden RingSKiDROW [+ DLC] (Final 2022)**

---

The fantasy world of the Elden Ring Game is one where you can freely enjoy new gaming experiences while also taking part in a unique story. The Lands Between, a fantasy land in between the Feywild and the human world, is a vast world where you can freely explore. In the Lands Between, players can create their own characters, equip weapons and armor, learn new magic, and quest for treasure in open fields and dungeons with complex and three-dimensional designs. Players can create their own characters by freely combining weapons, armor, and magic. Depending on the tactics, players can equip different weapons and armor, which will have different characteristics such as the battle efficiency of swords or the durability of armor. When entering the Elden Ring, players can be transported to the Lands Between as an adventuring party of six. As the story progresses, you can travel to neighboring parties and meet with your fellow adventurers. Your adventures in the Lands Between are filled with events that you can witness only through conversations, events, and other character interaction. You can also visit the Dungeon Designer, a user-generated dungeon editor, where you can design your own dungeon to be shared with other players. The Dungeon Designer also enables you to share your dungeon with players around the world. Experience a Multilayered Story as You Travel Alone and in Multiplayer The Lands Between is also filled with abundant quests and challenges. Players can pick up quests that emerge when in the Lands Between, such as monster extermination or treasure hunting. More than just returning to a predetermined quest or winning a battle, you can take part in quests that involve exploring the adjacent areas and defeating monsters. Through a series of achievements with various conditions, the winning conditions can change. Also, if you encounter a monster that is more powerful than you, you can master it. Players can form parties with up to six people in multiplayer. You can also directly communicate with fellow adventurers during quests. ABOUT ELDRING GAME Elden Ring is an action RPG developed by Square Enix Co. Ltd. It is the first title in the series for iOS, and features breathtaking graphics and gameplay to enthrall gamers, both new and old. The Elden Ring Series features two chapters including the original game and its sequel. Chapter 1: Rise of Tarnished (iOS, PC, Google Play) Chapter 2: Legend of the Elden Ring (Android, Mac, PC) You can find more information on Elden Ring at
